Energy Fact or Myth

Debra Citta
Program Coordinator

Energy Fact or Myth?

My neighbors have power, so I should have it, too!

Energy Fact or Myth?

My neighbor says
he has a power line
that is so close to
his house that he
can feel the power
to his house. I
said, "That's a
myth."

MYTH

Energy Fact or Myth?

If I don't see crews in my area, they aren't working on restoring power!

Energy Fact or Myth?

If I don't see a crew working on a power line, it means they are on restoring power!

MYTH

Energy Fact or Myth?

Big businesses
don't get
priority for
power
restoration!
